

# Piston air compressor

## FINI GENIUS ..... 0157-F45000

### COMPRESSOR WITH HOSE REEL

Designed to satisfy the compressed air needs of hobby workers and professionals.

- **Space saver:** thanks to the simple and intuitive wall installation.
- **Oilless technology:** maintenance free. Environmental-friendly.
- **Ready to use:** ON/OFF switch.
- **Built-in hose reel 9m:** maintains your workspace neat and clean without the need to move the compressor in the work area.
- **Safe:** compact and sturdy design. The plastic shrouds protect the internal mechanical parts.
- **Versatile:** Useable with a wide range of accessories and pneumatic tools.
